“ *Please accept my condolences over the loss of your mom and daughter. Isaiah 25:8 says, "He will actually swallow up death forever and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. I hope this scripture brings you comfort knowing that Jehovah God will help take away your sorrow and help you cope.*

“ Maryann, You were a wonderful person in many ways. I never thought in the summer of 2007 when you introduced yourself to me and asked if I would like to carpool with you, since we were neighbors and worked in the same area, that i would gain such a wonderful friend. I did though and there was never a dull day with you. We shared many great memories together. I laughed more in the time that I have known you than ever. I mean who didn't have a good time when they were around you. I will miss you dearly. Heaven gained another angel on 2/14/14. Although it won't be the same here without you at least you will keep the party alive in Heaven. Thank Goodness Sonya takes after you so she can pick up where you left off. She is a wonderful person with a wonderful heart and personality just like you. I know you have to be very proud of her, Chris and the Grandkids. I know they were your pride and joy. I am proud to say I knew and loved you. You will never be forgotten.

“ Where do I start...We worked together in the mid 80's and we had some good times throughout the years. I will never forget traveling to the I/C conferences singing Elton John and Lionel Richie songs and you would put your own spin on the lyrics! There was never a dull moment! You taught me so much about office etiquette when I had no idea what I was doing. I always remember you talking on the phone to your children and you never failed to say "love you bye" at the end of every conversation. When you moved on from the office of EMS it was like a huge void. I was glad when you came back to work in the office down the hall. Every time I saw you you always spoke, smiled and most of the time gave me a big hug. You gave me a Christmas card a couple of years ago and inside you wrote "Our memories together never fade". I still have that card and could never throw it out because of the words you wrote. I too will never forget our memories my dear friend. You will be greatly missed. My sympathies to Sonya, Chris and the entire family.

“ I will never forget how you helped me and made me feel welcome when I started with the state. You never met a stranger and never forgot a name or face. You made us laugh so hard sometimes on breaks and at lunch. Now you and Michael can laugh about us working while the two of you rest..Thank you for being my friend, MaryAnn. To her family I am so sorry for your loss.
