“ Hey brother. This is LeLoup. I couldn't be there today to see you off but I was there in spirit.

*I'll never forget the times we had together and the many laughs we shared. Even though we lost touch over the last few years, I knew you were still an awesome friend for life. You were such a great person and I'll never forget that. I hope you and Ahmic are up there looking down us. I love you brother and I hope you Rest In Peace.*

*We lost you way too early. Hope to see you again someday.*

“ I went to school and graduated with Matt, and I am deeply saddened by the news of his passing. I will ALWAYS remember his smile and laugh...he was just a GREAT guy, all around. He definitely knew how to make others smile and laugh & I will always remember what a heck of a football player he was!!

*To Matt's family and innumerable friends, 'A good heart has stopped beating, a good soul ascended to heaven; remembering Matt's wonderful and gentle soul will forever remain in our hearts. May Matt rest easy.'*

*My sincerest condolences,  
Melissa (Bryant) Servais*
