“ I was saddened to read that Ms. Mattie had passed. My mom was Frances Moon and she worked with Ms. Mattie for many years at NHC. Even with working together every day, they would often call each other just check in. She was a good friend and always so caring. My prayers are with the family, as they have lost a very special lady.

“*Mattie is my sister. We grew up so close, guess because of our ages. There no words to describe how lost I'm going to be without her. We talked almost everyday about everything. She loved the Lord and always asked him to go with her everywhere. We've had so many conversations about our Faith, and how proud our Parents raised us to love everyone. All her health problems didn't keep her from always being so positive. She adored her two children and grandchildren. Mattie I love you dearly. I'll think of you when I see a Red Bird, like one came to porch yesterday, while I sitting there and all the little laughs and cries we had together. So Mattie go rest high on that Mountain. To Ricky and Gail of Love you.*

“*Mattie always told people she loved them, and she meant it. She was always at church (as long as she was physically able), and her outfits were always coordinated. She loved coming to church. We all missed her when she could no longer attend. She loved flowers and always enjoyed when we visited her. We enjoyed it too.*
