“*Michael was a good friend and also co-worker at Lifeway. My favorite memories with Michael involve various motorcycle rides, but none more special than the many years we planned and led the Rally to Ridgecrest motorcycle rally with our “Lifeway gang”. Riding through the Blue Ridge Mountains was always a special time. It was evident to all of us that Michael deeply loved his family and his Lord. He will be missed here on earth. May all be comforted knowing he is now in the presence of God.*”

“ I was very blessed to be able to work with Michael for many years at Lifeway. He was like a big brother to me! I will miss Michael smiling face and friendship. No matter what kind of day he was having if you saw him at work, he had a smile on his face. He was always there if you needed a prayer for yourself or your family. I will truly miss my dear friend Hamby. Rest in peace Michael. We will all see you again in Heaven.

“ I have worked with Michael for many years. For the last 8 years he has gone by my office every day as he came into work. He always said "Good Morning" with a smile on his face. We have shared stories of praise and pain. Michael and Deborah have prayed for my husband and myself many times. I will always be grateful for Michael's friendship and faith.
I will miss him.
