“ I have so many good memories of Mike. Loved to laugh. Great guy. Passionate. The last time we spoke, Mike told me he Knew he was going to Heaven someday because he had accepted the free gift that Jesus had purchased with His sinless blood. He loved to listen to Les Feldick, & others. I am looking forward to seeing him again.

“ When I think of my Uncle Mike I think of one of the biggest Tennessee volunteers football fan. I always loved growing up and going to Christmas at my Nanny Suter house because my uncle Mike was always the greatest with gag gifts and little sayings cause I always knew it was gonna be funny. My uncle Mike always knew how to put a smile on everyone face. I know that know matter where uncle Mike is he will always be here for his family and friends. My aunt judy and all three of his girls were his whole world he loved them unconditionally as well as his whole family he always went out of his way to help people. Uncle Mike you will forever be in my heart and you will always be missed and loved. But until we see you again fly high with Nanny Suter and play lots of heavenly scrabble. RIP uncle Mike love always brandy
