Debbie & Mike

My heart goes out to you...I miss my friends and wish I could be there to support you, love you as I always have and I want to share with you a conversation I had with Sherm.... Todd was very young and was playing the piano or organ at Sherms so Sherm asked what he was doing & being serious Todd told him he was getting 'organ'ized! He made Sherms day....Bless you my friends...all my love 💕 cindy
