“ *Kevin was one of the children I remember the most from my children's youth (Jon and Christy). Kevin always planned the day for the guys and gals that lived on Driftwood Drive in the 1980s. Ride bikes , play ball, go swimming it didn't matter as long as Kevin could be a part of the fun. Every 4th of July the Watsons and the Atchleys would get together for fireworks, at his grandparents (Lucille and Buck Watson) . I remember watching Kevin lite bottle rockets and they were getting closer and closer. I looked up as I lit a rocket and Kevin was just a grinning and to my surprise the rocket I lit went straight to Kevin. The grin turned to tears and my feet would not move fast enough to make sure he was alright. I told him how sorry I was and he stopped crying and said he was tough. You were right Kevin and you were tough. I hope you know how much we all loved you and missed our days together after we moved. May God keep your family close as they cope as you depart this life to be reunited with your grandparents Lucille and Buck Watson. Tell them we still love them and miss them too.*
