“ Taken from us, too soon. Mike was truly one the best people to have as a friend and acquaintance. I will cherish his memory, along with countless others. Having known him since high school; he was a gentle soul. With a servants heart. And a loyal friend. Rest In Peace, Marine. Rebecca Johnston USMC Retired AHS, class of '76.

“ Dear Sue and Family I am so sorry to hear of the passing of Mike. You guys are good friends with my sister in law Gayle and my late brother Tommy (or Tom as everyone else calls him). The two good buddies are you in heaven having a cold one together. Both have been taken way to soon. My deepest sympathies to you Sue and your family. My God give you strength to get through the days ahead, keep his memories alive in your heart as they will help. R.I.P Mike, thanks for being there for Gayle and my brother. “ It's so hard to find the words to express how deeply we will miss this wonderful man. He was so kind hearted and genuine. We were talking through FB just last week about how we missed each other. When you see people you work with daily, they become your family. Not by blood but by love. The way God instructs us to do. Mike was a special man. I will miss his daily post of his progress exercising. I will miss his posts of camping and how much he enjoyed it. Jesus had prepared a place for Mike Yarlett and now he is experiencing a love and peace in that special place beyond anything we can imagine. I pray for comfort for his wife and family. This is a very hard time.

“ I was just broken hearted to hear of this mans passing! He was just the sweetest man! He was such a good family man. A loyal, honest and hard working man. You and your wife led our sheriffs office motorcycle rides, I just absolutely can't say enough good things about you! Everyone and especially your sweet wife will miss this sweet soul! Rest In Peace my friend! I'm glad you got to have some retirement time before leaving this earth to be with god. You deserved it! Prayers for your sweet adorable family will be made for days, I know their hearts are broken. You were loved by so many my friend!! Tami Levy
