“ Mike was such a kind, giving person. My husband and I had talked about redoing our kitchen. We were first time home owners, 23 or 24 years old and not much money. He told us he loved woodworking and had all kinds of mismatched cabinet doors. He offered for us to come and pick out what we wanted. We did and then for 2 years my husband redid our kitchen using those cabinet doors. We have since moved a couple of times but I still miss those beautiful cabinets all thanks to Mike and his generosity.

“ *The world is a bit dimmer today. Michael now rests in the arms of the angels. Michael was the best of humanity. He taught many people along the way what it was to be kind and caring. Never sacrifice your integrity.*
How blessed I am to be his friend and to have shared special times with his family.
Michael, save me a seat, I will be looking for you!
