“ Mikey was my brother in law who I loved like a blood brother. Wednesdays was our hangout day. We'd BS & have a few beers. The last words he said to me last Wed. when he left my house were, "Love ya brother" I never would've dreamed he'd be gone just a few hours later. One of the many good times he & I had was when he & I went to Talladega in May 2016. It was his first NASCAR race. He was like a little kid on Christmas morning! I think he damn near hugged everybody on the way into the track! We had a blast! I could go on & on about my time doing this & doing that with Mikey. Today being my first Wed. without you brother....you bet your ass I'm gonna have a Coors Light (his favorite beer) or 2 or 3 to honor your memory brother. Now I say the words to you that you always said to me, Love ya brother.

“ This dude and I used to really Go at it. We always laughed at the end of the day! He made shit happen! I trained him for what felt like forever! He was a damn good guy! He sure was a talker too. I know everything about everything he ever did or planned on doing. S.I.P. Truck Driver!! I will see you on those streets of gold one day!!

“ Mikey always had the biggest grin and could make you laugh now matter how bad things were going. He showed nothing but love to everyone he knew and cared for. He kept being his dispatcher, and friend, interesting at all times. He was constantly mischievous and fun-loving. Gone way too soon. Much love to you my friend, we will see each other again at the Lord's table.

“ Mike was more than a friend of 25 years. He became a brother to me. This man was nothing but a true and great friend, always picking everybody up when they were down even if he was having a bad day. He was always there to put a smile on your face. I love you brother and know that this is not goodbye this is just till I see you again. Love your brother, Tim
