“ I am sorry I did not know about your Mother's death until too late to get there last night. I had company scheduled for lunch today so I did not make it to the funeral. She was a precious lady and will be missed by all who knew her. Please accept my apology for not being there and my sympathy in your loss.

“ I always loved Aunt Mildred and looked forward to seeing her. She always had a smile for you and she was a wonderful cook. We will all miss her. We are left with some fond memories. My mother & father got married the same day as Aunt Mildred & H.S. In fact, they went together to get married.
