Our Creator, Jehovah God, by means of his son, Jesus has provided the human family with the wonderful resurrection hope which you can read at John 5:28,29. In the near future, the Bibles promise at Revelation 21:3,4,of being reunited with our dead loved ones, on the paradise earth will be realized. The resurrected ones, will be free of the defects that mar the lives of so many today. There is much Bible-based comfort to be found on the website www.jw.org
