“ I will never forget the time that we (Shannon and I) tagged along with Nancy and Steve to Biloxi for a little roadtrip with some gambling. We were in our early 20s, but acted like kiddos, riding in the back of the van and asking "are we there yet!?" just to be silly. It was a fun trip. I always remember when I was around Nancy thinking how much Shannon's hands and feet looked just like hers...funny those little things you think of when someone is gone. I know Steve is overjoyed to be reunited with her, they were always so close and she's been missing him for so long. Rest in peace Nancy.....

“ You loved everyone with your whole heart and welcomed us all like it was the most natural thing to do. A beautiful women and a Texas girl in your soul. Your stories were the best. You have no idea how much your words meant to so many and your gestures of kindness when it was needed the most. The world is just a bit less bright without your light but God needed you to shine it on us all now. Love you.
