

Nancy Peck

January 3, 1938 - October 30, 2018

Nancy Jane Marshall Peck, 80, of Springfield, passed away on Tuesday, October 30, 2018.

Nancy was born January 3, 1938 in Nashville. She was the only child of Howard and Helen Marshall. She moved to Eagleville when she was a young child and graduated from Eagleville High School. She attended college at Middle Tennessee State University and the University of Tennessee, where she was a member of the UT Singers. Although she has lived in many different states, most of her years were spent in Springfield so that she would be nearest to her family.

Nancy dearly loved having a large family and especially loved her time spent watching and helping with their many activities, sports games, dance recitals, concerts and plays. She was proud of all of her children, grandchildren and great-grandchildren. She was known as “Nana” and many friends knew her as “Soccer Nana.” She also had a heart for animals of all kinds, kept the birds well fed and rescued many dogs and cats over the years. A true warrior at heart, she loved fiercely and would drop everything to help someone in need. Her family will miss all the laughs and adventures they shared together.

Nancy is survived by her 5 children; Melody Noah, of Hilton Head SC, Jan Bagwell (Greg), of Hendersonville TN, Lorrie Bellar (Don), of Lakeland FL,

Kim Abraham (Martin), of Springfield TN and William Peck III (Cori) of Daphne, AL. Her 19 Grandchildren; MaryLu Noah-Dixon, Margaret Noah Conner, Meredith Noah, Amanda Bagwell Williams, Nikki Bagwell Basnett, Bobbi Bagwell Smith, Emmi Bagwell, Jordan Bellar, Mason Bellar Wilkerson, Blake Bellar, Preston Abraham, Garrett Abraham, Nolan Abraham, Liam Abraham, Lexi Abraham, Zimin Gu, Ashlae Sympson (John), Rachel Peck, and Emory Peck. And also her 7 great-grandchildren.

“ To Nancy's Family from her Marshall relatives,
For reasons unknown to us Nancy decided to distance herself from her Marshall heritage many years ago. Her Father (my brother) would have been devastated by this, he was a Marshall through and through and in her younger years he, Helen and Nancy attended the many family gatherings we had. She and I attended Eagleville School together in the same grade for several years until I left to get married at a young age.

Some of us, especially my sister Dean and I have tried to make contact with her over the years and I did manage to speak to one of your daughters several years ago but was told that your family knew nothing about our side of the family and evidently she did not wish to have anything to do with any of us. I sincerely believe that this was a loss to both her, her family and we who loved her when we knew her.

I was thrilled to see that she had such a large and happy family life. I loved seeing all the pictures of you. I still do not understand why she distanced herself and you from us. So I want to tell you about us, Our parents, your great grand parents were Carrie Jane and Oscar Pitts Marshall, They had thirteen children, Wallace, Howard, Katherin, Ross, Edward, Mildred Joseph, Doris, Raymond, Dean, Clifford, June and Ralph. We were very poor growing up but we were and still are a proud family. A little rambunctious sometimes, we didn't always follow the rules but most of us managed to succeed after a few tries.

There are only two of the thirteen children living now, my brother Doris who is ninety three and me at eighty one. We both live in Florida and have for many years. Doris is in an assisted living facility near me and I still live in the home my deceased husband and I bought almost thirty years ago.

I am so sorry I never got to know you folks, I have thought of Nancy so many times over the years and am so very sorry for your loss. It has been my loss too. I would love to hear from any of you. You have a proud heritage and should acknowledge it.

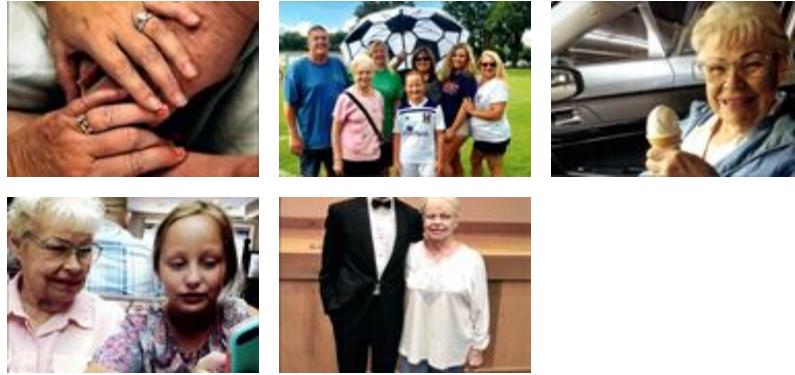

My sincerest condolence to you all
