“ I'll remember Nancye and so many positive ways. She always had a smile on her face and she had a great sense of humor. She will always hold a special place in my heart. Nancye was a person that never met a stranger when we would get a new neighbor she would make a point to go and, introduce herself to them. She helped a few meet and greets at her home so the neighbors could meet each other. She was devoted to her church. She loved to play cards. She enjoyed going to the mint. She like to go out to eat. One of her favorite places was the chophouse in Hendersonville . I really can't say enough about her. She was an awesome person and she will Definitely be missed lot by many .  
Love and miss you, your friend and neighbor, Connie Gray
