“ *Tony & Lisa,
I love you both and always will, My brother had a tough life, but i
can only tell you one thing, when I was little, Gene probably picked
on me a lot, such is the fate of younger siblings. But I can guarantee
you that no one and I mean no one else picked on me if my big
brother knew about it. That is a Love that never goes away. God
Bless him and know that he is at peace.
