“ Mrs. Neada, you saw the good in people, you believe in people. I remember meeting you in Oak Pointe in a model home and we had a long discussion about me. I think we both forgot why I was there. you believe that I would be a great realtor. A real estate agent I never thought I had that in me, but my sweet friend saw something and within weeks I was enrolled in class, and months later my license was hanging at Stephen's office. You made me feel a part of the family and the wisdom and knowledge that you shared have been embedded in my heart and spirit. You were an amazing wife, mother, and friend, Thank you for believing in me. I can see you now walking the streets paved with Gold having a Feast prepared for a Queen, well done you were a faithful Angel to many. God Bless, the Carr Family.

“ My best memory of Aunt Neda is, going to her house sitting in the living room with her and Uncle Rea and Tony, my husband at times, or my siblings and I just sitting there talking, laughing coming up with stuff from the past. She always had story from her past. She was such a strong, and will always be a strong presents in my life. I will love and miss her always.

“ Aunt Neda,

I have no words that I feel could adequately express what we all feel, especially your children at this time.

But just this, I feel you were the woman of my Uncles dreams and love of his life, the pinnacle of Motherhood to all my Cousins, and a wonderful Aunt whom even now, I remember your last words to me. I love you Aunt Neda.

May you rest in eternal peace.
