“ *My prayers are with the family. I work at Care Line and only got to work around Nick a short time but in that short time Nick never showed anything but respect. Nick was a very polite and respectful person as well as a hard worker. He will surely be missed here at Care Line. I will be keeping the family in my thoughts and prayers*

“ *Leston, Margret, Jessica, Harper, Aby and Ava my heart breaks for your loss. I cannot possibly fathom with my human brain and heart exactly what you are each feeling on going through at this time but I know it has to be the most devastating pain ever. I am praying for each and everyone of you and all of Nicks friends and family. I ask that God give you strength, comfort and peace that surpasses all understanding. Nick was a good guy. He was kind, respectful and always willing to lend a helping hand. He was an amazing Uncle to our girls who I know He loved and that they lived him. I am praying and here for any and all if I can help in any way. May God be with you and comfort you now and always. REST IN PEACE Nick.*
