“ I’m so sad I was not able to be with you in person but I was praying for you all day. I know the Lord was with you all and I trust that He is faithful to be near during the coming days.

I loved Nikki. When I saw her 3 weeks ago, I made sure she knew it. She said, you always have.

And always will, precious. 💖

“ *Our journey began on the optical trade,
But over time a friendship was made.
A rock to lean on, a shoulder to cry,
A beacon of light on this ride called life.*

*I was a co-pilot while traversing work,
Stories of family made us giggle and smirk.
We didn't always have views that agreed,
But the love never changed for you or me.*

*Full of life and spunk you were,
You took no crap- that's for sure!
It was an honor being your friend,
And you'll be in my heart 'til we meet again.*

Requiescat in Pace, Nikki Lynn □

*Sending my deepest condolences, strength, and comfort to Davis,
Dwayne, and the entire family during this trying time. May her spirit
give guidance in times of uncertainty and solace in times of need. 🙏*

“ I will always remember summers and after school with you! Our
sleepovers and the time Stacy scared us really bad right after I got a
rolling brush stuck in your beautiful hair and you freaking out and
Jerry walked in and was like what in the world is going on and then
just kept walking lol I was so scared we would never get that brush
out and you wouldn't want to invite me over to hang with you and
your friends again lol but you did. You always treated me like your
little sidekick even as we became adults you always made sure we
stayed in touch. I will miss you so much!
