I grew up with Terri and Jane. Noralyn treated me like a daughter and I became part of the family. I loved it when she called me her adopted daughter. I will always love and miss you, Mom Noralyn.

“ *In the fall of 1986, my son and I relocated down here from Illinois. We didn't know a single person. But we had the luck to rent the house next to Noralyn and her family. She made us feel at home and took in us as her extended family. It was a friendship that would last a lifetime and we kidded each others we must be sisters. She was a strong woman whom I will miss greatly.*

“ *My thoughts and prayers to Jane and Teri. May God grant you peace in this difficult time. Though I had not seen her in many years , she and Teri visited with my Mom and Dad about a year ago, and I am happy I was able to stop by. It was good to see them again. “ *So sorry to hear of the passing of Noralyn. She and my mother were the best of friends since they were teenagers. I remember her as a funny and kind lady who was always so sweet. When my brother David and I were much younger, we got to stay with her and the kids for about a week in Springfield. It was fun and Springfield seemed so far away "in the country" from Nashville!*

Our thoughts and prayers are with Terri, Jane, and all their families and friends. She will be missed by many. May God grant you all peace and comfort during this difficult time.

“ My heart is saddened by the loss of my very best friend, whom I have known since we met in the 7th grade. But I have many great memories of our time together over the many years we have known each other. I will miss her so much and the many phone calls we shared as well. But I do find comfort in knowing she is with the Lord and is free of suffering and pain. Rest in Peace my dear friend.
