“ *Junsie always used to have chocolate cruller donuts waiting for me when I came over, because she knew they were my favorite and my mama wasn't gonna let me have them at home. Those donuts were one of the things I missed the most when I had to go gluten-free but a few years ago I stumbled across a brand of gluten-free donuts and the minute I bit into their chocolate glazed donuts, the texture and taste brought me right back to her kitchen at that glass table sitting with her. I'm so happy to know that I always have a way to bring her back to me.*
