“ *All the photos show Pam as I always saw her, with that awesome smile. It is not hard to see that she lived life to the fullest and enjoyed every moment. She was and is truly a beautiful person inside and out. She always talked about remembering me when I was a baby, and I so wanted her to meet my baby. She offered to babysit every time I saw her! ) My heart hurts for you all as I know her absence will leave such a void. God has a plan in all of this, whatever it may be, and I pray that He give you all the peace and comfort that only He can give. - Ellie BarnetteDove*

“ My heart is with you all during this difficult time. We don't always understand why, but we are comforted in knowing she is smiling in Heaven! Please know that you are being lifted up. Pam was a beautiful woman inside and out. May you be comforted with his love and grace.

“ Walter and Amber, I wanted to share with you that there was not one time that i was with Pam that she didn't talk about both of you and how much she loved you and those precious grand kids. She also shared her love of the Lord and that gives me great comfort at this difficult time. She was very special to me and much more than just a co-worker. We had become great friends over the years especially when we had to fly to Dallas ( since she was so afraid to fly)! All of you will be in my thoughts and prayers in the days and weeks to come. Much love, Christian

“ Our hearts are broken for the entire family. We remember Pam as a very happy, fun-loving, caring person who loved her precious daughter and her grandchildren, so much. She was a cute biker chick for Walter and an adored Aunt for Jason, Beth, and Lucy. A loving daughter for Maydelle and perfect big sister for Missy. She will not be replaced and will always be in their hearts.

“ Mrs Pam's house was where you could find all the neighborhood kids. There were many nights where my sister and I would have sleepovers with Amber. Mrs Pam was the sweetest person ever and I will miss her. I was able to run into her at the baseball field bc her grandson was playing. I'm so grateful for that!Dove

“ My love for Pam started at Rivergate Calvary Temple, about 37 years ago, she started a puppet ministry and we would do the puppets for children's church!! There was never a time I didn't see her and her give me a hug and kiss on the cheek and tell me she loved me! Even when I backed out of the driveway and hit her car). She always called me sweetie!! She will be missed greatly but I am blessed to had known such a sweet Godly woman!!Dove

“ Miss Pam was a beautiful woman inside and out. She always displayed a spirit of happiness and joy when I was around her. She was always willing and ready to help anyone in need. I will miss listening to her cut up on the phone with patients while doing their preadmission screening for surgery. Her laugh would make me laugh sometimes when she got really tickled. I will miss our talks, her hugs, her smile, and most of all her kind spirit. Even when she may have been having a bad day she still managed to smile and show love and care to all around her. She will be missed dearly. I will be praying for you all Amber, Rob, Mr. Walter and her grandbabies... I love you Miss Pam, sleep in peace! Tamala Goodner Baptist Ambulatory Surgery Center
