“ Dear family of Treesa, I just heard about your tremendous loss of your wife, mother, sister, grandmother, and the list goes on. Sadness fills my heart for you as you adjust to life without her. She was radiant and beautiful in every way. I met her at Bradfords and she helped me with my house several times. Her talent as a designer was second to her ability to show the love of Jesus to everyone she met. Her faith was strong and courageous. Now she is in the fullness of life and the destiny that she was created for. I send you my prayers as you grieve such an exemplary life as Treesa led. Sincerely, Anne Ross
