“ Dearest Pat, I never got to talk to you after being whisked away to the doctor's and then to come directly home. I wanted to give you a hug and tell you one more time that I loved you. In the shuffle of people putting my things away I lost all phone numbers given to me so I could not call you. However, that did not keep me from thinking about you and lifting you to God in prayer. I am so thankful we got to be room mates at NHC. Then when they moved me, you were so sweet to come to my room each night for us still to have prayer together. I shall never forget those special times nor the love you had for your family and friends. My sweet friend, God knew how special you were so He took you home to Heaven on Easter Sunday!!! What a wonderful time to go. I found out today that my sweet NHC home health care nurse, Marcie was the nurse who sat with you in the hospital where she works on weekends. You were in good hands until He took hold of yours. I will see you someday in Heaven. I am sure you will know by now what all I have gone through since coming home. I may be asking for a little help from you!! Meet my Mother and Daddy and tell them how much we enjoyed rooming together. Rest In Peace Pat! In His Grip, Nancy
