“ *My best friend since the 1970s. We had so much fun in everything we did. We just had so many good times. We always stuck together & looked out for each other. We could always count on each other. You never let me down. Thank you for being my best friend throughout all these years. I will miss you. You are forever in my heart & thoughts. It's difficult to let you go, but it's good to know you suffer no more. Your family was lucky to have had you. I love you my friend.*
