“ Paul was my brother-in-law but he was one of the sweetest people I knew. I remember when I was without a job he called Fred (my husband and offered him a good deal on a lawnmower) it was a good deal but I wasn't working so we turned it down. Well low and behold he showed up with the lawnmower for me anyway on his next visit, sure enough it really was a great deal I still use it and now my grandson is using it more than I am. That has been eight years ago, and I think of him every time I mow the church yard. Love you Paul and I will miss you dearly Linda.
