“ Paul was always the sweetest man. We shared the same birthday - just many years apart. Only later in life did I not get birthday wishes from him. I know he will be greatly missed. He was a wonderful father, grandfather and great grandfather.

“ Paul was a caring man who loved his family and wanted to be sure that they were taken care of. He loved his jobs as a Coal Miner in Indiana and Sales Manager for Moor Man feed company. Paul also had a good sense of humor & had the medial staff at the health care facility laughing most of the time. Paul is loved & will be sorely missed. The farm will not be the same without him.
