“ *My memories of my momma..too many..but i remember when i had to play dolly parton in my 2nd grade heehaw play. Lol.my mom made my costume. But the whole time i was singing 9to5. Well my momma kept running in front of the stage taking pictures. I was waiting for someone to say..paula..now you got enough..go sit down so we can see..lol. She wouldn't have though. She was always involved with mine and my brothers life. I loved every second of it ! I love and miss you so very much momma! We truly have the best momma! My super hero!* ”
