“ *Ms. Bell was such a kind lady and a wonderful neighbor for the last 15 years. One of my sons always seemed to find his way to her house and they would chat while she taught him to plant flowers or clean the yard or whatever else she was doing at the time. He always loved their talks. I wish I had been able to make more time to visit, but I so appreciate how she treated my sons. She had words of wisdom and love and the greatest patience I have ever seen. My son was telling me about one of the last visits they had just a couple of weeks ago where she made sure he knew that they would meet again in heaven one day. The peace she shared with him was definitely a blessing. We love you Ms. Bell.*
