“ Oh Biggle B I don't even know where to start. I loved you more than myself. You taught me so much during my childhood & it kills me that I know I'll never again get to lay in the bed with you and talk and watch hallmark shows. You lived a long time and that's the only thing that makes this easier. I'll never forget you and my children will grow up with the same morals you taught me. Rest in paradise granny. I love you <3
