“ I will miss Ms.Peggy. I will always remember her smile and that wink she would give me at times. Ms. Peggy was a very special lady. Ms. Peggy never complained.I had known her through the years but never really got to know her till, close to the end. She was the type of person once you met her you had a friend for life.

“ Wayne, Mom Black and the family of Peggy,  
I posted my feelings about Peggy on the newspaper guestbook but I will leave my thoughts here as well. Peggy was always smiling and friendly. I have known her for many years. Often times she would come to visit Miss Ann and Mr. Felix Lawrence, our neighbors. She never changed as she always had a smile, a spirit of love and concern for others, no matter how bad she may have felt. With the crippling disease struck her body, she did not change. Peggy practiced her Christianity and did not hide it. You all are in my prayers and thoughts.  
Blessings, Nancy

“ Peggy loved everyone and showed them that she cared about their life and family. She was always smiling and talking! ;-) I have known her for most of my life and she never failed to tell me that she loved me. I loved Peggy, too. She was a profile in courage with the crippling, knotty Arthritis that she suffered with so many years. She and Wayne seemed to be the perfect couple. I always enjoyed visiting with them at the doctor's offices. The fond memories of Peggy will remain with me. Prayers are with her family and close friends. She was indeed one of God's children.

“ I always loved visiting my father's office when Peggy was working there. She was a special person to all of us in the James family. I do not think I ever saw her without a smile on her face, and she never failed to put a smile on my face also! You have my heartfelt sympathy in your loss.
