“ I am so sorry at the passing of your mother. She was completely devoted to all of her children and grandchildren. Peggy was the strongest woman I have ever known and I loved her. My time with her and her children was precious to me. Please understand that I was in turmoil over my own family during that time and all I wanted was to help Peggy to raise good children. As our relationship went on it was evident that Peggy did not need my help. She was a kind and patient mother and girlfriend. I will always remember her and Stephen, Joey, Danny, Andrew, Charissa, and Shaun in my prayers and like always want the very best for all of you. God bless Peggy and may she rest in peace. Glenn
