“ *What a wonderful lady and mother! Every year for Christmas she made these lovely gingerbread sleighs filled with sweet cutout gingerbread cookies. It was such a kind and thoughtful thing to give to our family, and the cookies were delicious! I remember her being a very devoted mother. Her children are blessed to have spent so many years with her, though it never seems like enough. Praying for this dear family that God may hold you close and give you comfort.*

She was my second "Mom" growing up. There was never a kinder, funnier, smarter person. I can still hear her laugh. Amazing cook, generous soul...oh how she is missed!!! Family, I am so, so sorry for your loss.
