“ I sure will miss this guy. Scotty always had a smile on his face and never had ugly words to say. I will miss working with him back in the day he taught me a lot. We had great memories I'll cherish forever. RIP my Friend...

“ There are way too many memories. But I think watching him coach and umpire is right up there. Being at the ball field just made him glow. He loved his family. He never met a stranger. He will be missed for sure.
