“ Lisa, Lindsay, Shannon and families - We are deeply saddened to hear about Phil's passing. We have so many great memories from when the kids were all little...from grilling, holiday fun (especially 4th of July), Opryland and just hanging out out the Haley's or at your house; all of those times were special to us. Life has a way of keeping us busy in different directions as our kids grow up, but no matter how much time passed between visits it was never awkward. We could always pick up right where we left off. Much love, Kim, Chuck, Chad and Caden

So sorry for your loss. I did run in to Phillip a while back before he was so sick. We spoke and caught up on each other's families, kids who are now grown and living their lives. Please know that you are all in my prayers. We still remember you all.
