“ Phillip made such amazing jewelry! I bought my first one of kind turquoise bracelett around 2009. He always made such high quality pieces. I was in Branson in 2018 and was able to buy more pieces. I'm sorry for your loss. He was one of a kind.

“ I purchased a pendant years ago at his shop in Branson, MI. At the time, it was all I could afford. Have gotten so many compliments on that pendant & wonder where I might find more of his pieces, if any.

“ Phillip was an amazing man! I miss him so much! If you ever needed an explanation of something in the Bible, Phillip would be my 1st choice for an explanation. It was always a delight to visit with Phillip and Emma. We always had a great meal over discussions. God Bless Phillip and his Family Missed Deeply!
