“ I'm so sorry for your loss. I'm thankful to Phyll for all of her hard work documenting the Eddy genealogy, which will benefit many generations to come. Her work was very thorough and well documented and she was a lot of fun to work with.

Patrick Comins, an Eddy cousin.

Ted and Phyl got along so well. He loved her and I learned to love her. I believe I taught her to hug and she did so willingly. Her penchant for genealogy was admirable. There are still so many questions to ask her, knowing she would have the answer. I believe she once told me that she was placing a lot on a disc. Did that happen?
I'll keep in touch.
Now many many hugs are coming through to all of you.
Love
