“ I worked with Phyllis at TCMC for many years in the ER. I enjoyed working with her and meeting her family, she was always fun to work with and a hard worker. She always had a smile and seemed to enjoy her job and the people she worked with and helped in the ER. She was a Christian and loved God. I will miss her even tho I didn't see her much anymore, I thought of her often. So sorry for her loved ones. I know they will miss her smile and sweet nature. Love you Phyllis, RIP.

“ I was blessed to have a caring sister, She would spread Sunshine when you need it,  
Sunday I called her to tell her I loved her, and she responded back, I love you to.  
She always had a smile for every one , Her bible always on her bedside stand. Were so thankful to be raised in a home that showed this. When we were riding home from work we would often sing may the circle never be unbroken. I am so thankful God knows what is on the heart. Sister Glenna
