“ You never realize how big of an impact the parents of your childhood best friend are, until they are no longer on Earth with you. Growing up, I looked up to Ralph and Renee and their love for each other and the good Lord helped mold my expectations of what I wanted from life. My heart aches, and I am praying for understanding and comfort for the entire family.

Heather Vannoy - February 08, 2019 at 02:18 PM

“ Your closest friends are those you spent your childhood with. That must have been Marilyn and Bubba. We never stop to think about a time that we might be without them. I'm glad I live in a family that shares their love all the time, so everybody knows... there's never a doubt, "did I say I love you, because it just always is. I never got to see Bubba as often anymore, but I never doubted his love. We spoke it freely. I love this wonderful family. GOD hand selects the best. I just wish we could have kept him longer. For the record, I'd like to say, He couldn't have turned out to be such a great man had it not been for Patsy and Ralph. You both have always meant the world to me. Both are such a positive influence. I love you and Marilyn with my heart and soul. Keeping you all in my thoughts and prayers. RIP Bubba. I love you.
