“ Bubba was the first to welcome me into the Robertson county area when we were 9 I had just moved to ridgetop. There were so many memories but one that sticks to me always is when we were around 19 my engine blew in my cutlass without hesitation bubba and Billy offered to allow me to bring it to their house I purchased the motor then bubba and Billy swapped it out through the week asked nothing in return just one small story of how the Bevel family has always been there for their friends and neighbors. I couldn't ever thank them enough for their friendship felt more like family really

“ I just met Bubba a couple of months ago but we hung out quite a bit and did some work together. Bubba was certainly one of a kind. He had a good heart and was a giving soul. He definitely loved life and he spoke of Jesus often. There is no doubt that he has taken his place with the Lord. Bubba, I'm glad to have gotten to meet you. Christi and I love you man! We are sorry that you got on that bike and sorry you had to leave us all so soon. Your friends and family will miss you. We will all see you again one day. Look after your grandbabies! Everyone loves you and you will be missed. RIP brother.
