“ I wanted to say that I'm sorry for your loss. No doubt Alexander will certainly be missed by his family and lifelong friends. It's only natural that we yearn to see our loved ones again and the Bible provides an encouraging hope to see them again. John 528, 29, tells us that there will be a resurrection of our loved ones that have died. Not only will there be a resurrection, but we all have the opportunity to live forever together in a paradise earth. (Psalms 3729) I hope that these scriptures bring a measure of comfort and peace to you and your family and please accept my deepest condolences.
