“ I have so many memories of Becky. All the hours that Becky, G.G. and I sit and played Phase 10, Monopoly and other games. When she was going to Beauty School and would practice on our nails. She was really good, but took soooo long. I loved her smile. Definitely had G.G.'s smile. Hadn't seen them since they moved away, but thanks to FB, could keep in touch her. There will be voids in many lives now. How I wish she could have had her mother here with her these last months. Thankfully they will be together now, pain free. Love you Becky.

“ Precious memories...how they linger . How they ever flood my soul! This is what came to mind. We missed a lot of years with Becky and her sister, Crystal. All because of life differences. Can't change or have a do over but I am so blessed to be able to have her back in my life. She was the most courageous and loving young lady I've been blessed to know in a long time. Family is everything. Friends are great, too but we need family. Mom and Dad taught us that and that we should be there for each other. I'm so blessed to have spent time with her last visit to TN. She was a light in my life and I'll never forget our time together. I love you Becky and I know you will be our guardian angel. Enjoy your wings and eternal life of peace and no more pain or tears. Praise God in the highest!

“ So many memories of my sweet Becky, she loved with a deep compassion, felt things with her heart, and had gave her life to God, I loved her as if she were my own and was so glad my husband and I were able to be there for her during a very difficult time in her young life. We will love her and miss her dearly.

“ I have so many memories of you as a baby, how much mamaw Toller loved you and Crystal. But most recently I will remember your smile and unique laugh, your endurance, and the Faith you so readily shared through social media and spending time with you around a table of food (of course) at Phyllis house in June. I love you and will forever cherish your memory! Til Jesus comes!

“ Becky, I believe with all my heart that you have crossed over into your eternal home. You were an angel to us all but we only had you 'on loan'. I'm beyond thankful for the friendship you shared with my sister, you truly were her best friend, and by way of that you were my friend as well. I will never forget the times we all shared, of course you and Holla left me and Crystal playing Barbies all the time. We love you, Becky, and are looking forward to that great reunion we shall all have when we meet over there. With Love, Chelsea & Holla
