“ *My precious sweet friend of over 20 years was truly an angel here in earth. I've never met a more genuine positive loving person in my life. Always the caregiver and never one to complain. Glad we had our get togethers over the years, whether here in Manitoba or there in Tennessee. So hard to believe she's left but so grateful knowing we're going to meet again in eternity. I'll so miss your presence here, even though central Canada is a fair distance but texts and Facetime chats will so be missed. Rest easy precious friend ❤️ you'll remain in my heart forever. 🙏💕*

“ In loving memory of Miss Renee, a cherished presence in my childhood. From Halifax to Tennessee, she remained a constant source of love and support for my mom, brother, and me throughout the years. Our Sundays were made special by gathering at her home after church, where we were enveloped in the warmth of family and her unwavering kindness. Despite humble beginnings, Miss Renee possessed an extraordinary ability to make everyone feel valued and treasured. To me, she was more than a friend; she was my Godmother, a beacon of unwavering faith and unconditional love. Her prayers and affection uplifted my life in countless ways. As we mourn her loss, we hold onto the memories of a truly remarkable woman whose impact on our lives will endure forever. The void left by her passing will be deeply felt, but her spirit and the love she shared will continue to guide and inspire us.

“ I went to Belmont with Rene's sister Karen. Much like her younger sister, Renee was always kind. I never saw Renee where she wasn't smiling. I truly believe heaven has gained another angel.

“ Renee was my hiring manager at HealthSpring Company in 2011. She was very instrumental in getting the program off the ground and yet maintained a positive and heartfelt compassion for all her staff. A beautiful soul gone too soon.
