“ George and Linda I am so sorry about the loss of Renee. This is such sad news. I will be thinking and praying for your family in the upcoming days. I have so many wonderful childhood memories spent with you all throughout the years. We will never forget you coming to Mayfield to be with my Dad when he passed. I am thankful that I got to see Renee then after so many years. She was a beautiful sweet person who will be greatly missed.

“ Renee and I worked together for years at the same company and it was the most enjoyable years I had there. I thought the world of Renee. She was a mixed bag of goodness and sincere blessings. Renee wouldn't tell you exactly what she wanted or how she felt and I so wish that I had let her know how I did. I have that cursed disease too and you Renee, have no idea how I wish I had known you did too. I wish that I could hug you and tell you that it's going to be OK and that you are loved. I'll miss you lovely lady. May you rest in peace that you deserve so much.

“ So very sorry to hear of Renee's passing. She was a beautiful and amazing lady and so very smart, She would put a computer program together in minutes that would make life easier for her coworkers. A simple task for her but a life changing stress relief tool for those she assisted. Rest In Peace Renee. You will be sadly missed. Love and Prayers to her family.
