“ I’ve known bro. Reynolds , Mrs. Beula Mae & their family my entire life . I wouldn’t change it for nothing. Bellow is a picture of when our church and other churches did softball and this was bro reynolds, my grandfather (buck stack), & grandmother (jewel stack) , oh how we loved going and they loved being their and always sit next to each other now they can all rejoice together in heaven. I’m very blessed to have been able to have had him and his family in my life for so many years , he was who helped me when I was ready to repent and become saved by the grace of God, and he was also who baptized me . And I was lucky enough that they have also been family friends alongside everything else. You will be very missed but we know you are so much happier then we are , give our love to everyone up there and we will see you again !!
