“ My husband Steve and I are friends of Dan and Ginny Marler. Steve and I are on the prayer team at our church which is also where Dan and Ginny attend now. They care SO much for Rick and have had us and many others praying for him and we will continue to pray for Ricks loved ones as you all walk through this painful time. My husband is also part of this circle of musicians out here and has heard much about Rick. Please know that we are very sorry, but we worship an awesome God who cares for you and now has Rick in a place that we cannot even begin to wrap our minds around. The thoughts and prayers of so many of us here in MI are with you.
Sincerely, Laura Urenda XO
