“ I grew up in Newtown on Kirby Street when Dicky and his family lived on the street where the Piggy Pit is or used to be. Have not lived in Springfield for over 34 years but all my family is still there. He was a few years older and we used to fight with him and Jumbo Evans and Dale West. Not real fighting, they were older than us and bullied us but mostly good naturedly. I remember Donna and Judy and most of all Opal. She was a waitress at the Piggy Pit and we used to catch the bus there. My condolences to each of you and God Bless.. Blackie Beauchane
