ME

“ Rick was my best buddy for the past 21+ years. We have had many late night chats when either of us had a bad day and we usually called each other first when we had a great moment to share with someone. I have peace knowing that Rick was on the fastest train straight to heaven so he could SING all his old songs along with the angels. "Now you can sing loud and sing forever my friend" with out the troubles of this world.

“ Rick did my mom's (Martha Underwood) hair for years and he helped with her estate sale back in the summer. I had the pleasure of meeting him then and we just hit it right off. What a smart, funny & personable gentleman. My mother has always thought the world of Rick and I am so thankful I had an opportunity to get to know him as well. Your entire family will be in our prayers.

Sincerely,

Kim Underwood
