“ I am so sorry for your loss. For the loss to us all. I am going to miss that smiling friendly face. Always ready for a cup of coffee and a bite of something sweet. I'm going to miss you sitting at our kitchen table. I'm going to miss your stories. I'm going to miss your building, trimming, fixing and doing anything we needed. I am going to truly truly miss your giant gentle spirit. My heart is broken for your family and anyone who ever met you. Much love to you Rick.

“ My first memories of you are when you started your family. I remember chunka Butt :) Amanda was a baby and you lived next to a pond. Kay brought Jamie and I out there and you would teach us how to fish. Tammy was really small at the time and I remember you kneeling down and she would stand next to you while you helped us hook worms and cast. You have always had the biggest smile and glimmer of happiness in your eyes. I use to get so excited in my adult years to wait on you when I was a server at vernons, shoneys, captain Ds . You always made me laugh. The late night runs to rivergate for after hours food or Halloween movies was my favorite times. Who're u left Springfield. I did not see you much anymore but when I did I had a great feeling of love from you. I always got a huge hug and that incredible smile followed by how have you been darlin . The last time I saw you was at the funeral of my dear friend Lisa Rawls. You was there with her dad Gary Lemmons being a great friend and support system for him on such a hard day. Then my sister Pam said she saw you at Torinos last Saturday with Bunny and you asked about me and told her to have me call you. I sure wish I had known that . She was waiting to tell me in Christmas Eve when I came by her house . Ricky you sure did have the sweetest kindest soul. You was one of the greatest men I knew. I know you are walking the streets of Gold in Heaven and spreading your huge sweet soul full of kindness and love all over. Rest easy my cousin I will forever smile when I think of you.

“ *In the short time that I've known Rick, we became fast friends. You couldn't ask for a better neighbor. He would do anything to help others. I loved his quick wit and charming sense of humor. It is a terrible loss for his family and friends. I miss him deeply already. My heart and prayers go out to the family.*

“ I remember a long time ago, a young woman who was expecting her first child. You never feel very pretty, when you pregnant. Ricky came in like gangbusters at my mom's house. He hugged me and just like in the eye and said, " Pregnant women are so beautiful, they just have a glow about them". I told him he was a nut, but it made me feel great. That's just one thing about him, that I've never forgotten. Even though we didn't see each other very often, to know he's not here is hard. But the Lord just got another angel. Prayers to Bunnie and his children and grandchildren. God be with you all.
