“ Dear David, Chris and Family of Rick,
We are so very sorry to learn of Rick's passing and the news has been very difficult as it has brought great saddened to our hearts. We always enjoyed Rick and will remember our time with him fondly. Most recently at the retirement party and all the fun we had waiting to surprise David with the gathering. He was full of fun and witty jokes and he was very proud of his brother. We were so fortunate to come to know him as friend and neighbor. Our hearts are with you all during this challenging time. He will be missed.
